16.00	Thanks and farewell

### WORKSHOPS:

Workshop applicants should register prior to 29 August 2010 as space is limited. As we wish to ensure workshop trees are of a reasonable standard, all trees will be vetted.

Applicants will be advised whether or not their trees have been accepted, with unsuccessful applications being refunded.

If applicants do not live in the greater Cape Town area, they should send or email 2 photos of their tree – front and back view – together with their registration.
